

CONGRATULATIONS TO THE KPS SWIMMING TEAM

Despite the water crisis and the concerning level of the pool water, we have managed to have a super swimming season. We also condensed our training days and sessions. Thank you to everyone involved with the maintenance of the swimming pool and also for the generous donation of water received in order to prolong our practices.

We started the season with the KPS Interhouse Gala, which is always an exciting event for all of the swimmers participating. Tulbagh made it 3 in a row!

KPS went on to host a number of relay galas in order to allow more children to participate.

The KPS Senior Mixed Relay Gala (U/10 - U/14)

The KPS Junior Relay Gala (U/7 - U/9)

The KPS Level 2 and 3 Senior Relay Gala (U/10 - U/14)

The KPS Internal Fun Gala for Level 1 and 2 swimmers (U/7 - U/12)

The KPS swimming captains with the silverware for the season: Christiaan Kriegler, Catharien Eager, Marné Campbell and Dario Consani.

Kenridge also swam in two individual medal galas hosted by Durbanville and Eversdal. The galas were closely contested and the swimming was of a very high standard. We entered two teams and it was great to give more swimmers an opportunity to swim in individual races.

We still have one more junior gala at Durbanville Prep on Tuesday, 13 March.

The coaches are extremely proud of all of the swimmers who took part in galas this term. We have a particularly strong group of senior swimmers and they are wonderful ambassadors for the code, displaying good sportsmanship and gala etiquette. They are awesome role models for the young swimmers! This was evident at the Junior Relay Gala where a number of them assisted the U/7 - U/9 swimmers.

We wish all the club swimmers well for the upcoming regional and National galas 😊 (Levels as well as the Junior Nationals and Youth)

Thank you to all of the parents for their support of their own swimmers and the KPS swimming team.

A big **THANK YOU** to **VAN RIEBEECKSHOF SPAR** for their continued support and sponsorship of Kenridge Swimming. The Interhouse Gala medals looked stunning! The 1st team swimmers received beautiful white shirts and embroidered green towels and they really looked super smart at their galas.

Spar also kindly supplies the gala officials with eats and generously provides the delicious pancakes for the tuckshop as well as the edible prizes for the fun gala. We are very grateful for their unwavering support.
