THE VALLEY
Primêre Skool Primary School

Dear Mrs Smith

15 April 2014

We The Valley Primary want to thank you and your staff for your constant support, contributions and blessings you bestow upon our school.

You have not only given our learners a sense of gratefulness, our Gr 1 class is totally over the moon with their new wooden chairs...seems they are paying much more attention to.

Please pass our most grateful thanks to all who lends a hand with helping the children of The Valley Primary School.
And for making our lives a bit easier with all you do.

And the Easter Eggs – absolutely a blessing!

Gods Blessings to you and your staff

P August
Principal
