Parents: Kenridge Cares

April 2014

Dear Parents

Our Kenridge Character Program is now focusing on **Caring**, and in particular, “Caring within our Community”.

Last year, our pupils (and parents) donated **1 000 pairs of shoes!** The beneficiaries (The Valley school, Badisa and our own maintenance staff) were overwhelmed by your generosity.

This year we would like to donate an **entire library to The Valley Primary School.** Kenridge children are very blessed regarding the availability of books! We would like to share this blessing with others.

From **Wednesday, 23 – Friday, 25 April** we will be collecting books which have been donated for this purpose, at the school. You can donate either a new or second hand book which is in good condition. Magazines are also welcome.

All children’s books are welcome, whether they are very simple stories (one sentence) or books which are appropriate for teenagers e.g. reference, nature, science or travel books. Similar magazines which could be used for school projects are also welcome. Please take care to use your discretion when selecting books and/or magazines.

Lapa Books will be having a stand at the school where they will be selling the appropriate books, on **Wednesday 23 April 2014.** If you wish to donate a new book(s) you can either come and buy a book(s) with your child or send them to buy a book of their choice.

Many thanks for your support for this very worthy project!

PS. Any bookworms or bibliophiles around?

We will most definitely need your help with the sorting of books after the donations! Keep an eye on SC for when the call for help is made!
