

HOMEWORK POLICY – Grade 3

1. Written homework will be given for revision of certain concepts only. No new concepts will be assigned as part of homework tasks.
2. From Mondays to Thursdays the learners should spend between 30 to 60 minutes (depending on child's capability) on **mental maths**, **spelling** and **reading aloud**. Reading aloud should be done with a parent daily, in either Home and First Additional Languages.
3. At least **10 days' notice** should be given for Oral or Modeling.
4. **Teachers of practical / specialist subjects** are responsible for informing the learners regarding requirements of the subject. This will enable the parents and learners to organize themselves accordingly.
5. Homework is **not usually** given on a Friday.
6. **Homework diaries must be signed by the parents daily**. The parent must indicate with a short note why tasks have not been done, or if books were forgotten at school etc.
7. **Confidential correspondence** between the teacher and parent should be emailed / placed in a sealed envelope addressed to the relevant teacher. Notice of this correspondence must be written in the homework book.
8. **Expectations from the teacher:** Parents may assist with most of the homework. **A designated study / homework area is recommended**, away from the hustle and bustle of the family

life. Parents should teach and assist their child to become organised and conscientious while completing tasks at home.

9. **Parents** are expected to check their child's work which has been done at the After School Centre.
