

KENRIDGE CROSS COUNTRY RUNNERS AND LEARNERS CARE KENRIDGE LANDLOPERS EN LEERDERS GEE OM

On **WEDNESDAY, 20 JUNE**, the Kenridge Cross Country runners, and other willing learners and educators, will be running to give a little 8 year old girl a sporting chance on living a better life.

Little Ciska Klein, from Valley Primary, was knocked down by a car last year and left paralysed from her neck down. She was not expected to live, but this brave little soul is a fighter. She has a healthy mind and is determined to live life to the best of her ability.

Sy woon nou die Paarl-skool by, waar sy leer om haar mond te gebruik om op die rekenaar te skryf en te werk. Die koste om Ciska te laat vorder is groot en sy het jou hulp nodig om dit te doen.

So, come and run, or sponsor a runner, on

Kenridge rugby field.

Be there – show that you care!
